Award Honoree:

STEADFAST COMPANIES

The Keys to Success award is given to corporations that are both successful in their respective industries and are extraordinarily supportive of the families served by Project Access. This year we are proud to honor Steadfast Companies for their success as a multifaceted real estate investment management company and their tremendous investment in our community.

Founded in 1994, Steadfast Companies has acquired, developed and managed in excess of $6 billion of real estate including over 50,000 apartment units and more than 5.2 million square feet of industrial, office and retail space. Today Steadfast owns and/or operates a diverse real estate portfolio valued at approximately $5 billion and comprised of more than 140 multifamily and commercial properties across the United States and Mexico, and has made big strides in the capital markets arena with its own broker-dealer and four public non-traded investment companies.

At Steadfast Companies its Core Values are more than just words on a piece of paper, they are exemplified at all levels of the organization, beginning at the top. Do good as we do well – a key Core Value – has allowed Steadfast Associates to give back to our communities in meaningful ways, including strong support for Project Access.

In their lifetime of giving, Steadfast Companies has contributed over $71,000 to Project Access and continues to provide volunteer support through the leadership of Ana Marie del Rio, Chief Administrative Officer and General Counsel. Ana Marie is a valued member of the Project Access Board of Directors.

Through their community outreach efforts, Steadfast Companies has left an immense impact on the families served by Project Access. We are truly honored to have Steadfast Companies as a partner in our mission to give low-income families the tools needed to break the cycle of poverty.
