IN THE SKY CHALLENGE
HELP YOUTH DISCOVER THEIR INFINITE POTENTIAL!
MARCH 1 - MARCH 31

2020 SPONSORSHIP PACKET
Youth who do not attend after school programs are nearly 3X more likely to cut school and 3X more likely to use drugs (Afterschool Alliance).

To combat this, in 2019, Project Access provided after school programs to over 5,900 youth where they received one-on-one tutoring and participated in enrichment activities.

ABOUT THE π IN THE SKY CHALLENGE
Project Access provides after school programs to thousands of youth living in affordable housing across the country. Just like the digits in Pi (π), we believe the potential of our youth is infinite. We just need your help to unlock it!

If you believe every young person should have access to a place that is safe and supportive after school, join us for the π IN THE SKY CHALLENGE!
