ABOUT US
Project Access operates Resource Centers in low- to moderate-income communities. Our programs, delivered right in our residents’ backyards, provide tools and opportunities to under-resourced individuals so they can stabilize and empower themselves and their households.

Your tax deductible annual sponsorship will help:

- Build safe and engaged communities
- Improve the community’s workforce quality and residents’ earning potential
- Stabilize the community by providing financial education workshop
- Facilitate employee engagement as volunteers, mentors, or board members
ADOPT A RESOURCE CENTER

BENEFITS

MINIMUM DONATION AMOUNT: $5,000

By adopting one of our Resource Centers across the country, you’ll help residents achieve self-sufficiency and maximize their full potential. Your donation—and your volunteer support—will help cultivate strong communities, positive changes, and hopeful futures.

- Quarterly volunteer opportunities for your team, such as: book / supply drives, food distribution, supporting after school programs, hosting economic stability workshops, or assisting with holiday celebrations
- Logo recognition in your adopted Resource Center’s monthly newsletter distributed door to door and displayed in common areas throughout community
- Logo recognition in Project Access’ quarterly e-newsletter (3,000+ recipients) and website year-round (6,000+ views/month)
- Press release and social media posts announcing the adoption of your Resource Center
- Opportunity to connect directly with residents to learn about the impact of your Resource Center adoption
- Opportunity to table during Community Building Events at adopted Resource Center
