# ABOUT PROJECT ACCESS

*Serving communities for over 24 years*

Project Access has been operating Family & Senior Resource Centers on-site in affordable housing communities since 1999. At these Resource Centers, we provide access to tools, knowledge, and opportunities that cultivate strong communities, positive changes, and hopeful futures for our residents.

Operating more than 100 Resource Centers in 16 states with more growth on the horizon, Project Access wraps around the entire household by providing relevant programs and services for all ages that address Economic Stability, Education, Health & Wellness, and Community Building. We embed ourselves into the very fabric of the community and become a trusted presence within and amplify our impact through numerous partnerships, expanding on our direct services, and creating a village of support for each resident.
